THE CHURCH FOR ALL
ALL FOR THE CHURCH
The Church is the bulwark of
the building of character and
good citizenship. It is a storehouse of
knowledge and a bulwark of strength
which neither democracy nor civilization
can survive. There are four sound reasons
why every man, woman and child
should be a member of the church and
regularly and support the church. They
are: (1) For his own sake. (2) For his
family's sake. (3) For the sake of
the community and nation. (4) For the sake
of the church itself, which needs his
time and material support. Please go
to church regularly and read your Bible daily.

I call Bruce my combination angel-terror. Soon he will be four, and he is a fascinating mixture of mischief and innocence.

At bedtime, I always tiptoe into his room to be sure he's covered. Then it is that I am struck by the innocence of his face in sleep. Then it is that I realize how helpless is this small dynamo, who plunges with such boundless energy about our house and yard all day. Then it is that I am struck by the magnitude of my responsibility.

I realize it is entirely up to me to see that Bruce learns right from wrong, to see that he grows into the sort of man who will be a credit to his family, his community, and his country. I must teach him to keep a steady heart and a level head. I must resist many temptations that will be strewn in his path, to hold honor and truth and integrity high.

When I think of my task, I send a small and special prayer to God to aid me. And I thank God for his Church on earth which, for years to come, will be helping me, again and again, in making my small mischief into a man.

Given in marriage by her father, the bride wore an empire gown of white peau de soie and Chantilly lace. Her veil of illusion was caught to a comb. She carried a bouquet of carnations centered with an orchid atop a white prayer book.

Health Needs Survey Underway In Coffee

A comprehensive health survey is being conducted in Elba County by the Bureau for the Alabama Regional Medical Program for Heart, Cancer, and Stroke. The community service will be directed by Dr. Benjamin Coffey this week to Dr. W. B. Wells. The purpose of the survey is to determine the health status of the county. The survey is a department of the medical education, University of Alabama in Birmingham's School of Medicine, featuring features, health care resources and other factors related to heart, cancer, and stroke prevention. The survey team is here as a result of interest expressed by the Coffee County Medical Society. Information compiled from this survey will assist the Alabama Regional Medical Program in determining priorities for the development of the local 1968-69 monies. The members of the study team are Dr. David A. Jr., Mrs. Hazel Reed, Miss Ida Martha Reed, Miss Hazel Satterfield and Miss Paul Willborn. Their efforts continue with the survey and the team hopes everyone in Elba will have been contacted at least 30 times by the time the campaign closes.

Junior Class Of Elba High Sells Magazines

The Junior Class of Elba High School has a magazine being sold in Elba. The officers active with the superintendents and the treasurer are Mr. Sam Paschal, President; Mrs. Howard Lassiter, Secretary, and Mrs. Bowden Sessions, Vice President and 1969 Beef Cook-off Chairman.

Hog Producers Will Meet Next Thursday

The Coffee County Hog Producers will hold their annual meeting Thursday night, February 29, at the Elba High School. The meeting will be held in the cafeteria of the school. The meeting will be presided over by Mr. Billie Jones of Ashford and Andela Sasser of Elba according to Robert English, president of the association.

The barbecue dinner meeting for the members of the Association is being sponsored by the livestock marketing facilities in the county, including Elba Livestock Company, Farmers Livestock Co-op in Elba, the Frosty Moon Buying Station in Elba, and the Elba Packing Company in Dothan. All members of the Association and their wives are invited to attend. Officers for the new year will be elected, February 25th.

Tastin' Tea Planned Soon

The Azalea Garden Club plans to have a Tastin' Tea at the Elba Methodist Church Educational Building on March 5, 1968. The Tea will be from 3 until 5 o'clock. All kinds of desserts, party foods, dessert salads, will be served, children's table with cookies and other goodie will be set up also. All recipes will be available for those who would like to try their hand at a particular dish.

Coach Leon Akins To Coach State All-Stars

The Elba High School football coach Leon Akins has been selected to coach the South team in the annual All-Star game to be played in Tuscaloosa during August. The selection was made by popular vote of all football coaches in the 2nd District. The public is invited to see the schools that play football in the district.

Science Fair Planned At Kinston High

The Kinston Science Club is sponsoring the first science fair the school has ever had.

The projects will be set up in the high school auditorium Sunday afternoon, February 25, 1968, between the hours of 1:30 and 3:30 p.m. The public is invited to come by to see the students' work.

On Monday the 26th, all the projects will be judged and the winning projects awarded.

Since there is no Coffee County Fair, all the winners will carry their projects to the Regional fair to be held March 23 at the George Wallace Junior College.

Merrill Shirley Letters At Auburn

Mr. and Mrs. Leon Shirley of Elba are one of the many families turned in their draft cards. "It's a change of heart," what does he have to do in order to be able to serve?

The possession of a draft card is not a requirement for an enlistee. However, failure of a registrant to have in his possession a Registration Certificate and current Notice of Classification is, if itself, a violation of the law.

Another young man, a member of the Auburn Tigers and Guard, was asked if he was in the football team and the answer is yes. But he was asked if he was missing the tackle when it is not likely that he will be given up six points. National Guard.

Selective Service Answers Questions

A registrant this week wrote to the Alabama Selective Service System, since a person has demonstrated a desire to serve in the draft, asking what does a change of heart, what does he have to do in order to be able to serve?

The possession of a draft card is not a requirement for an enlistee. However, failure of a registrant to have in his possession a Registration Certificate and current Notice of Classification is, if itself, a violation of the law.
